

GROWS HAIR ON A DOORKNOB RECIPE

- 1 lb. Peanut butter
- 1 lb. Honey
- 1 lb. Dia-glo (powder) or Mirra Coat
- 1 pt. LaVitamin (also known as Lixitonic)

Have peanut butter at room temperature. Mix all ingredients together; it will be very thick and sticky. It stores indefinitely in the refrigerator. Make into balls according to the size of the dog.

Small dogs should get 1-3 teaspoons daily
Large dogs should get 1-2 tablespoons daily

Guaranteed to grow hair on anything, even a doorknob! (If you can get your doorknobs to eat it!)
